

2010
Chairman
Joe Westheimer

The Ethics in Business Initiative is a partnership of the Ecumenical Center for Religion and Health and The University of Texas at San Antonio College of Business.

Our mission is to promote ethical business conduct for the benefit of the workplace, marketplace, environment, community and future business leaders.

www.ethicsinbusinesssa.org

"In the process of researching for the Ethics in Business Awards, we learned more than we could ever have imagined. This project gives life to the meaning of business ethics."

~UTSA College of Business interview team members
